Dear LSE Parent,

It has been proven that parent involvement is a critical component in a child's academic success. Here at Lotus School for Excellence, the Board, Parents Council and the Administration have all been brainstorming new ways to increase parent involvement at Lotus. To accomplish our goals we need your help.

A committee of parents will be planning events and activities for parent participation next year. In order to secure the parent participation, LSE Board and Parent Council agreed to implement mandatory "Parent Involvement" hours. For the 2009-10 school year, you will be asked to contribute at least 8 hours per family at Lotus. (If you have more than one child at Lotus you will only be required to work 8 hours.) Participating in Parent Council meetings up to 4 hours may also be counted towards your "P.I." time.

A few of the events that we need help planning and running are listed below:

- School dance at the end of each semester
- Two fundraising/social nights per semester
- Talent Show
- Two other fundraising activities such as cookie dough etc

You can also help us with supervision in the mornings, during lunch and in the afternoon.

We are aware that participation may not be possible due to your heavy work/family schedule. If this is the case, parents have the option to pay off any unserved hours at a rate of \$10.00 per hour.

We are pleased to have you as an active member of the Lotus family and we are looking forward to working with you. By working together, we can accomplish great success!

Best Regards
