Rationale: Lotus will develop the details of its own school calendar and hours of teacher-pupil contact. The total number of student hours in school will meet or exceed those of the District and comply with state requirements.

Replacement Plan: A finalized calendar and school day of Lotus will be officially adopted on an annual basis after community input.

Duration of the Waivers: Lotus requests that the waiver be for the duration of its Charter.

Financial Impact: None on the budget of either the District or Lotus.

How the Impact of the Waivers will be evaluated: The impact of the waivers will be measured by the same performance criteria and assessments that apply to Lotus as set forth in its Charter.

Expected Outcome: As a result of this waiver, Lotus will be able to operate under its own schedule, which will be developed to meet the needs of its community and will be vital to the success of its program.

C.R.S. § 22-63-206 Teacher Employment Act-Transfer of teachers

Rationale: The Charter Schools Act allows a charter school to be responsible for its own personnel matters. It is inconsistent with this statute for the District to make transfers with/or for Lotus without the School’s permission.

Replacement Plan: Lotus will make staff assignments based on its needs and educational goals. No staff will be assigned to positions for which they are not qualified.

Duration of the Waivers: Lotus requests that the waiver be for the duration of its Charter.

Financial Impact: None on either the District or Lotus.

How the Impact of the Waiver will be evaluated: The impact of these waivers will be measured by the performance criteria and assessments that apply to Lotus as set forth in its Charter.

C.R.S. § 22-9-106 Local Board of Education Duties Concerning Performance Evaluations; C.R.S. § 22-2-112(1)(q)(I) Commissioner-Duties (reporting performance evaluation ratings)

Rationale: In order for the School to function according to its unique needs and design, Lotus must develop and adopt its own system for evaluation of personnel.

Replacement Plan: Lotus will provide a yearly evaluation for all staff. Teachers will be held accountable to the School administration. The evaluation system will have clear standards for performance. Personnel being evaluated and evaluators will be trained on the evaluation system. The evaluation system will be further developed and refined as needed to meet the needs of the School. Lotus does not plan to report evaluation performance information to CDE.

Duration of the Waivers: Lotus requests that the waiver be for the duration of its Charter.

Financial Impact: None to either the District or Lotus.

How the Impact of the Waivers will be evaluated: The impact will be measured by the same performance criteria and assessments that apply to Lotus as set forth in its Charter.

Expected Outcome: With this waiver, Lotus will be able to implement its program and evaluate its teachers in a manner that produces accountability aligned to the school’s unique program. This will benefit staff members as well as students and the community.
