

LETTER REGARDING FREE FOOD SERVICE DURING SPRING BREAK

Lotus Families,

We have some exciting news regarding a system to feed all children under 18 years old during the extended spring break!

During the extended Spring Break, Aurora Public Schools will be distributing FREE breakfast and lunch. These meals will be provided on weekdays starting tomorrow through Friday and then again next week Monday through Friday at 15 locations to ALL children 18 and under. Both meals, which include vegetarian options, will be available together for pickup through a grab-and-go system.

Meals will be available starting tomorrow through Friday and then again next week Monday through Friday at the following locations and times. APS is providing meals at as many locations as possible to reduce travel distances for families. You will notice that the windows for meal pick up are 25 minutes long. Although this may seem short, we believe this window will allow us to provide for a grab-and-go system while also helping us maximize the number of pick-up locations and serve the highest number of families throughout the district

Please note the starting time for the location that is nearest to your home. Here is a [map of the meal distribution sites in Aurora](#).

If APS extends Spring Break past March 27, the district will communicate the plans for providing meals at that time. APS will continue to communicate via phone calls, emails and our website at aurorak12.org.

Please see the locations and times on the following page below:

Aurora Hills Middle School 10:25-10:50AM 1009 S. Uvalda St, Aurora, CO 80012	Kenton Elementary School 11:45AM-12:10PM 1255 Kenton St, Aurora, CO 80010
